## WEBSITE TERMS OF USE

Any connection to and/or use of the Website implies the Website visitor's acceptance of the following conditions:

**Website use:** The Website provides information and news on the Company RC Inspection, its products and services; you can also use it to contact RC Inspection or request intervention quotes. The Website visitor (hereinafter the "Website visitor" or "you") is entitled to consult the Website in compliance with the following conditions.

The Website visitor strictly undertakes not to make:

- Any reproduction, repeat, modification, extraction or re-use of all or part of the information and data published on the Website or which is required for its operating;

- Any deterioration, unauthorised downloading, DDoS attack, misappropriation of Website information and content, attempt to circumvent or damage security devices, phishing, fraudulent introduction into RC Inspection infrastructure, etc.;

- And generally, any Website use which does not comply with the purpose hereof and/or which may damage its integrity or availability, and/or RC Inspections' interests and exclusive rights.

RC Inspection controls network traffic in order to identify attempted unauthorised use of the Website. Whoever uses the Website agrees to the said control. RC Inspection therefore reserves the right to take legal action against any person who is responsible for breaching the aforementioned bans.

**Availability:** The Website functions 24/24 hours and 7/7 days. However, if a force majeure event occurs, the connection is slow or the Website is overloaded or unavailable due to electronic communication networks, access to all or part of the Website may be slowed down or interrupted. Furthermore, RC Inspection may undertake corrective or preventive maintenance on the Website or its hosting facilities. Accordingly, RC Inspection does not assume any guarantee of availability or continuous access to the Website.

**Intellectual property:** The Website and its content (source code, texts, images, photos and graphics, data, information, architecture, software and databases) are the exclusive property of RC Inspection, including the "RC Inspection" trademark and logo, as understood by the Dutch Intellectual Property Code, copyright and applicable international agreements, unless otherwise specified (in particular relating to contents that are explicitly offered for unrestricted downloading and use free of charge).

In no event shall consulting the Website be construed as a transfer, licence or authorisation to re-use contents.

Accordingly, any total or partial reproduction, representation, extraction, modification, dissemination or exploitation of the Website, or of any one of the elements contained herein, is strictly forbidden unless previously authorised by RC Inspection. RC Inspection is entitled to modify Website content at any time without prior notice.

**Confidentiality:** The Website enables Website visitors to access RC Inspection offers and contact RC Inspection to obtain additional information or request services (request for a quote, a contact): When addressing an email or form to RC Inspection via the Website, collected personal data is only used for the purpose of allowing RC Inspection to reply to the Website visitor's request or contact him/her directly. This data will not be communicated to any third party except for RC Inspection group companies and any subcontractor who is required to process the request.

**Liability:** RC Inspection does its best efforts to ensure that information accessible on the Website is exact.

However, RC Inspection does not assume any express or tacit warranty as regards Website content.

Furthermore, RC Inspection does not provide any guarantee on the relevance, topical or exhaustive nature of published information, or its appropriateness as regards the Website visitor's needs. In all events, the Website visitor bears sole responsibility for the use of freely available information.

The Website may include hypertext links to third party websites on the internet network. RC Inspection has no means of controlling the content of such third party websites which remain entirely independent of RC Inspection. In addition, the existence of a link between the Website and a third party website never means that RC Inspection approves the content of such website on any grounds whatsoever and therefore the use that may be made of such content. Accordingly, RC Inspection's liability shall never be committed on the grounds of a third party website which the Website visitor may access via the Website. In the same way, RC Inspection declines all liability as regards the content of websites which direct to the Website; it is entitled to request that the operator of such website deletes any links to the Website.

In view of the purely informative nature of the Website, RC Inspection does not hold any liability as regards any direct or indirect damages whatsoever, (in particular any financial or commercial prejudice, loss of programmes or data) which may be suffered by an Website visitor or third party due to using the Website and the information displayed thereon. In addition, RC Inspection does not hold any liability in the event of a virus, malware or spam resulting from visiting the Website.
